

Departmental Short-Term and Long-Term Strategic Issues

Department: County Attorney

FY2007

Short-Term Issues: List critical issues facing the department now and through the next couple fiscal years.

- Compliance with Records Management Regulations
- Amendments to the Zoning Ordinance to implement the amended Comprehensive Plan
- County Code revisions (unsafe building, fire code, procurement and zoning chapters)
- Amendments to the Vinton Gain Sharing Agreement (Vinton Business Park) and to the CRT zoning and covenants
- Enhanced collection initiatives

Long-Term Issues: List major issues or trends that may confront the department beyond the next couple fiscal years.

- Economic Development – to expand the commercial and industrial tax base and relieve pressure on residential properties, expand employment opportunities, and to improve the public infrastructure
- Diversification of local tax base – Charter amendments, General Assembly legislation
- Succession planning
